MDP Explore

MDP Explore is the first step for Associates to explore what it means to be a manager and leader at CarMax.

To complete your enrollment click submit and your registration request will be routed to your Manager for approval.

Note: The Management Interest Self-Assessment is a pre-requisite for Learning to Lead. If you're considering having a career conversation with your manager about next-level development, please complete the Self-Assessment development plan in Workday first, then partner with your manager regarding next steps.
